

## PLATINUM ARCHITECTURAL

Custom shaped windows are specialty shaped windows available in radius and non-radius shapes that can be produced in a variety of designs to suit your wildest ideas.

Sash frame & box frame construction matches all Armor casement and hung style windows.

Internal drainage system eliminates unsightly drain holes while providing excellent drainage.

Customize your architectural window design. Available in both radius and non radius shapes.

Available in a variety of grill patterns and decorative options including paint or laminates.

## ALSO AVAILABLE IN CUSTOM SHAPES

Custom shape windows are available in a variety of radius and non-radius shapes which can be configured with any Armor window to create larger designs.
