

## PLATINUM DOUBLE HUNG

A classic design that has stood the test of time. Two sashes that operate up and down and can be pivoted inside for easy cleaning and maintenance. The Armor Double Hung has the latest technology incorporated into each window, ensuring your product will have years of worry free operation.

Operating sashes are designed with a positive interlock design for an airtight seal.

Fusion welded sash and frame with multi-chamber design for added strength and insulating value.

Triple weather seals made from Santoprene rubber and Schelegal prevent air and water leakage.

Fly-maze - an Armor innovation that allows water to run through while keeping the insects out

Constant force balancers provide a smooth, quiet and reliable vertical operation.

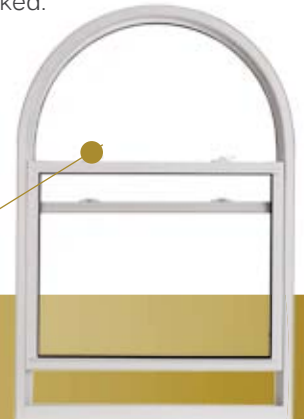

Optional - flip lock is a positive action lock with an added safety feature that remains up when the window is not locked.

## ALSO AVAILABLE IN SINGLE HUNG.

Single Hungs have one sash that moves up and down and can be pivoted inside for easy cleaning and maintenance.

Available with optional self-closing locks

## UNMISTAKABLY CLASSIC
